Subject: Subcontracting Interest — DJ01 Cybersecurity Architecture & Engineering Services (VA-26-00064748)

Dear [Name],

Vectra Core Systems LLC is an SBA-certified SDVOSB and experienced cybersecurity engineering firm. We are submitting this letter to express interest in serving as a subcontractor on DJ01 Cybersecurity Architecture & Engineering Services (VA-26-00064748).

We bring targeted capabilities in NIST-aligned cybersecurity architecture, secure cloud engineering, and DevSecOps pipelines. We can support discrete technical taskings (control implementation, system engineering, secure cloud migrations) and provide rapid, low-overhead delivery to augment your prime team.

Attachments: subcontractor capability statement, one-page past performance, resume(s), preliminary rate card (available on request).

We welcome a brief call to align on scope, timeline, and level-of-effort. Thank you for your consideration.

Sincerely, Manse Soura Founder & CEO — Vectra Core Systems LLC
